Hi, I'm Sahil Shrestha, a Computer Engineering graduate from Himalaya College of Engineering with a passion for web development and app development. I enjoy building user-friendly and efficient web applications while continuously learning new technologies.

Excited to connect, collaborate, and grow in the tech industry!

## EXPERIENCE

### Software Developer Intern

Tokha, Kathmandu

*UpchaarNepal*

Jun, 2025 - Present

- Developed reusable and responsive frontend components using React and TypeScript, ensuring high performance and maintainability.
- Implemented state management and data fetching with TanStack Query for optimized client-side interactions.
- Built and managed form handling using React Hook Form, including validation and submission workflows.
- Designed and implemented RESTful APIs using Node.js and Express for efficient backend communication.
- Managed MongoDB databases, including schema design, querying, and data modeling.
- Collaborated in the full-stack development process, integrating frontend components with backend services.
- Ensured code quality with best practices, modular architecture, and scalable solutions.

## EDUCATION

### Bachelors in Computer Engineering

Lalitpur

*Himalaya College of Engineering*

Apr, 2022 - Jun, 2025

Grade: 72.85%

## PROJECTS

### FeastWave:- FULL STACK

A project based on MERN for food delivery with admin panel. Application has user authentication along with payment gateway using Stripe and working Cart functionality.

[https://github.com/lihasahil/Food\\_Delivery\\_App](https://github.com/lihasahil/Food_Delivery_App)

### SocialBook:- FULL STACK

A Social Media Application to post content and images powered by Next.js. Used Clerk for authentication. Postgres as Database and Shadcn for UI components.

<https://github.com/lihasahil/social-book>

## TRAINING/CERTIFICATIONS

### Responsive Web Design

*freecodecamp.org*

[freecodecamp.org/certification/SahilShrestha/responsive-web-design](https://freecodecamp.org/certification/SahilShrestha/responsive-web-design)

### MERN Stack Training

2025

*Himalaya College of Engineering + Broadway Infosys*

Our college provided MERN stack training with mentors from Broadway Infosys.
